Samuel (Sandy) Howlette, PMP

Samuel (Sandy) Howlette is a visionary change consultant with certified program management professional (PMP) expertise. He is an energetic and passionate seasoned executive who loves helping people and organizations navigate continuous changes to reach their personal, professional, and business goals. He lives with his wife, Maryfrances, in Great Falls, Virginia.

Sandy is the president of his management consulting firm, Samuel S. Howlette Limited, consulting to businesses who desire transition management, operational efficiency, successful teams, and repeatable processes. His previous experience includes technical, management, and executive positions with Lockheed Martin, MCIWorldcom, AT&T and Xerox. His formal education includes a BA in Mathematics from Hampton University. He is currently enrolled in the University of Maryland Global Campus's MBA program, with expected completion in 2022.
